

McLEAN COUNTY  
**MUSEUM**  
OF HISTORY

**We are ready to visit the  
McLean County Museum of History!**

**When visiting the Museum, we use the entrance on Washington Street.**

**We check in at the desk in the Visitors Center to pay admission to the Museum and to learn more about what we are going to see upstairs. We will get a map and a metal badge to wear.**

**We can sign the digital guest book so that other people know we were here.**

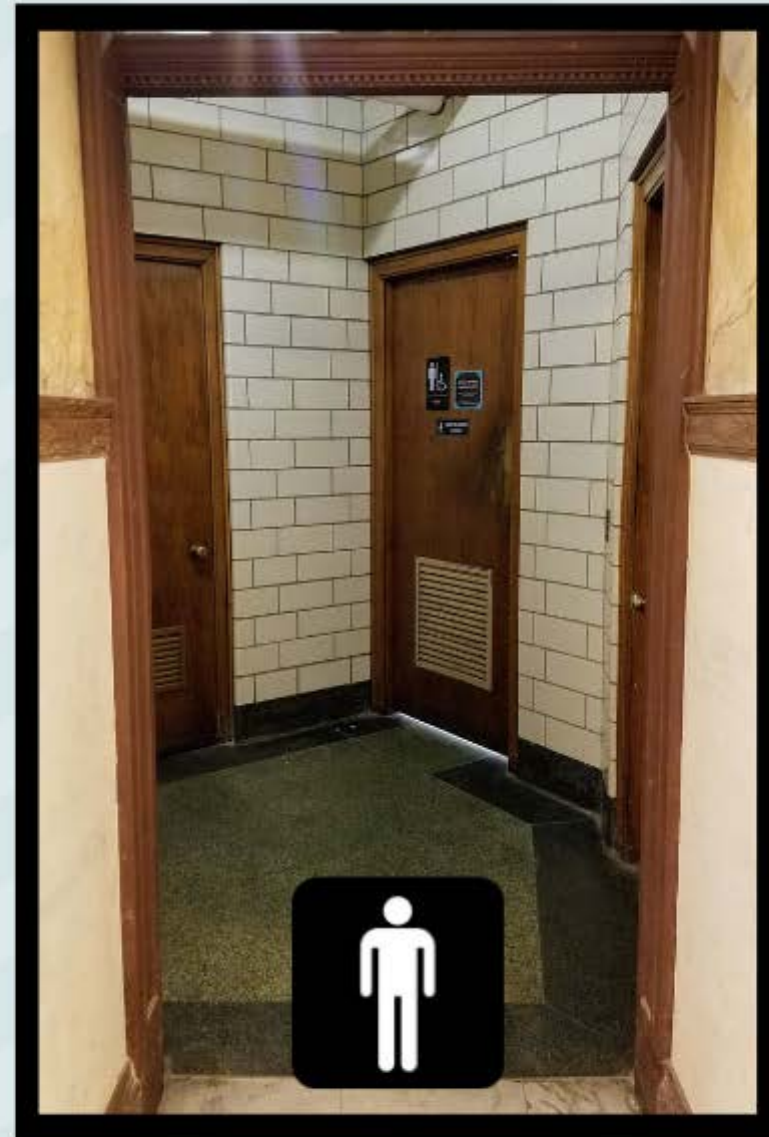

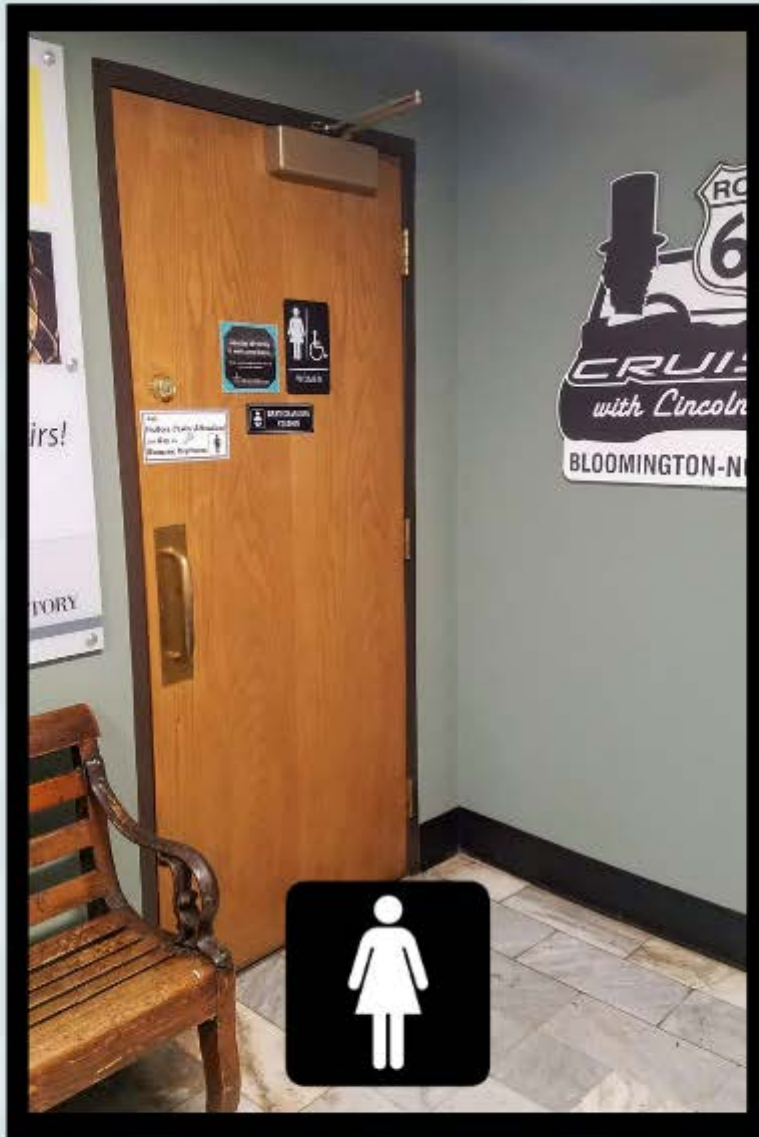

**In the Visitors Center, we can learn about Abraham Lincoln and Route 66. The Visitors Center is also a gift shop.**

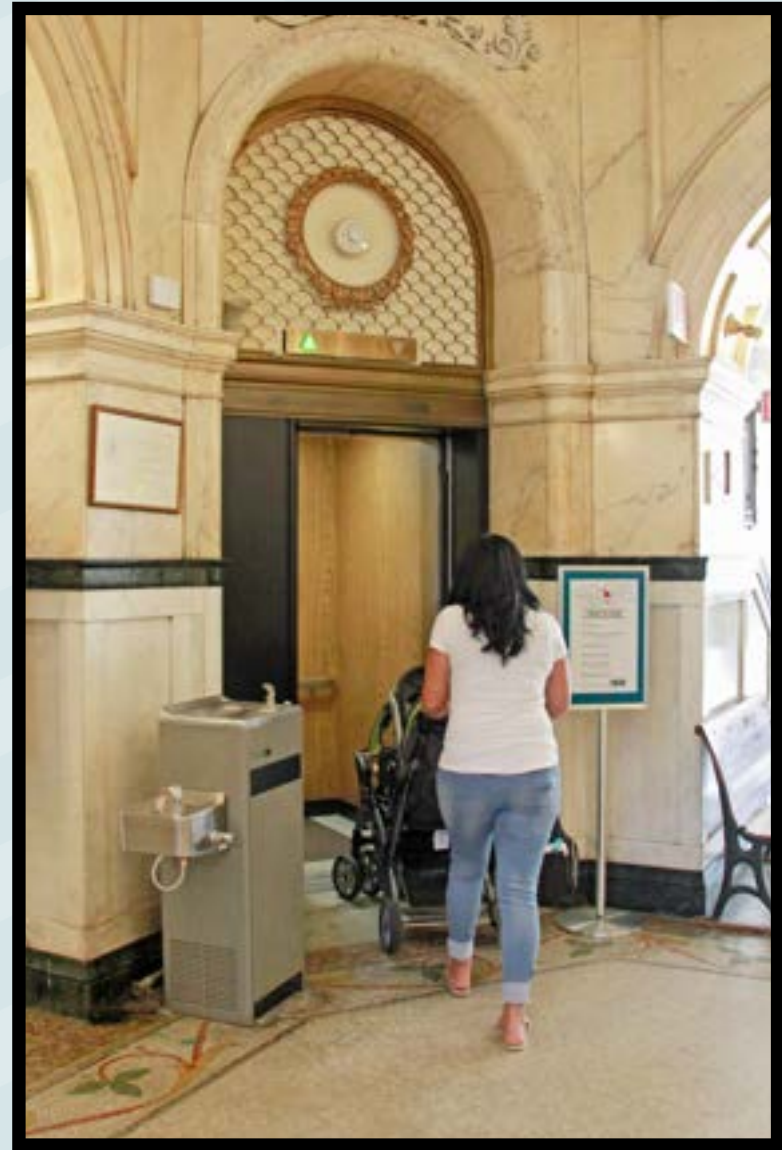

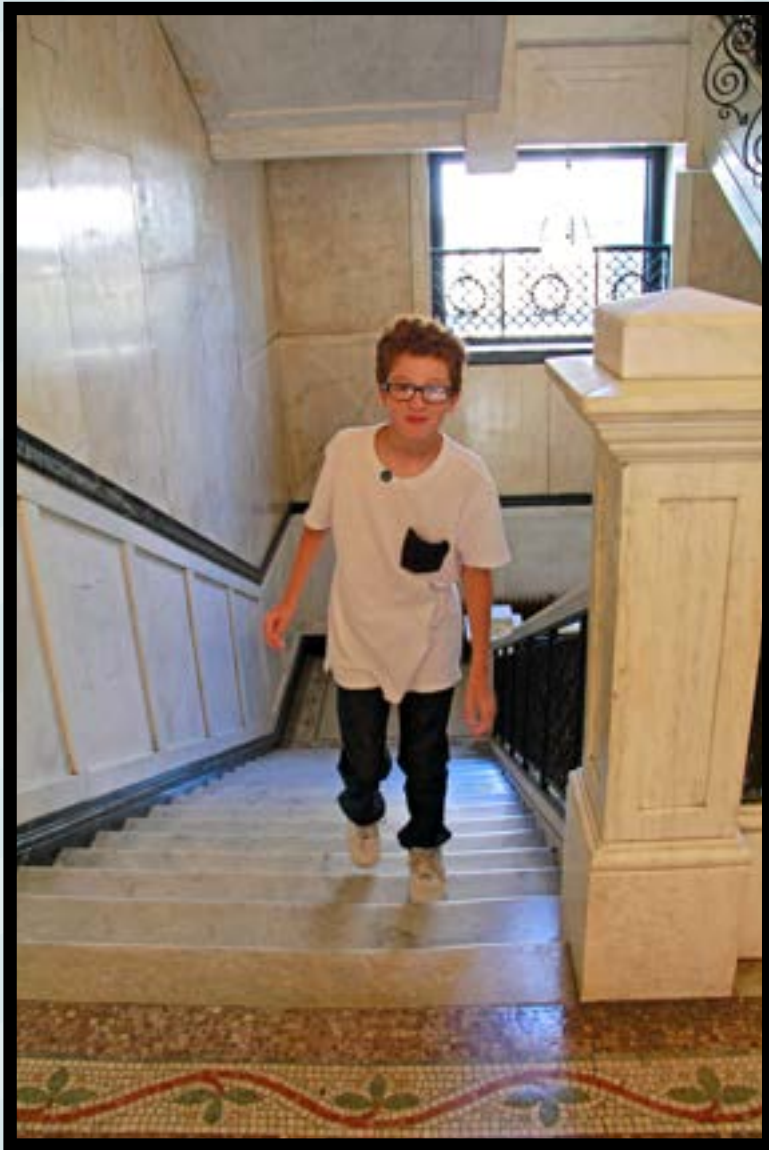

**In the Visitors Center we can check out Sensory Bags to help us feel more comfortable while exploring the Museum.**

**The two public bathrooms are located in the Visitors Center on the Ground Floor. We should plan ahead before exploring the other 3 floors of the Museum.**

**We will need to ask for a key at the desk in the Visitors Center to use the Women's Restroom. Gender diversity is welcome at the Museum, so we should use the bathroom that we are most comfortable using.**

**When we are ready to explore the Museum, we can use the stairs or the elevator.**

**There are all kinds of things to discover in the Museum!**  
**On the 1st Floor we can see exhibits (rooms) all about**  
**the history of McLean County.**

**On the 2nd Floor, there is a Courtroom to see and a library.**

**The books always stay in the library. We can ask to read the books in the library, and then put them back when we are done.**

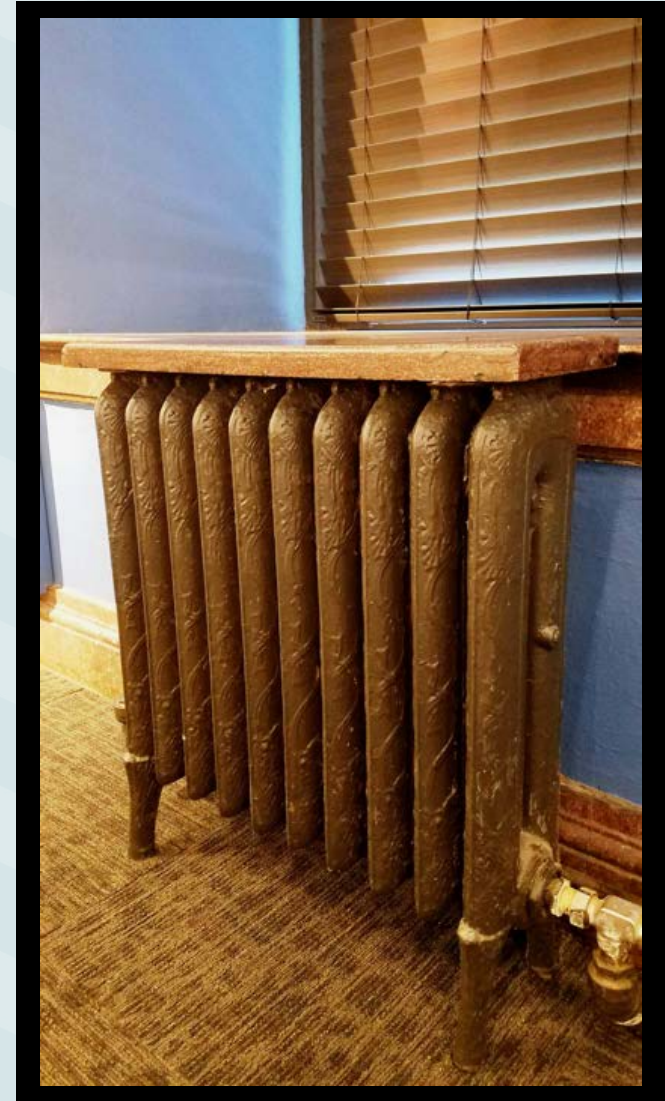

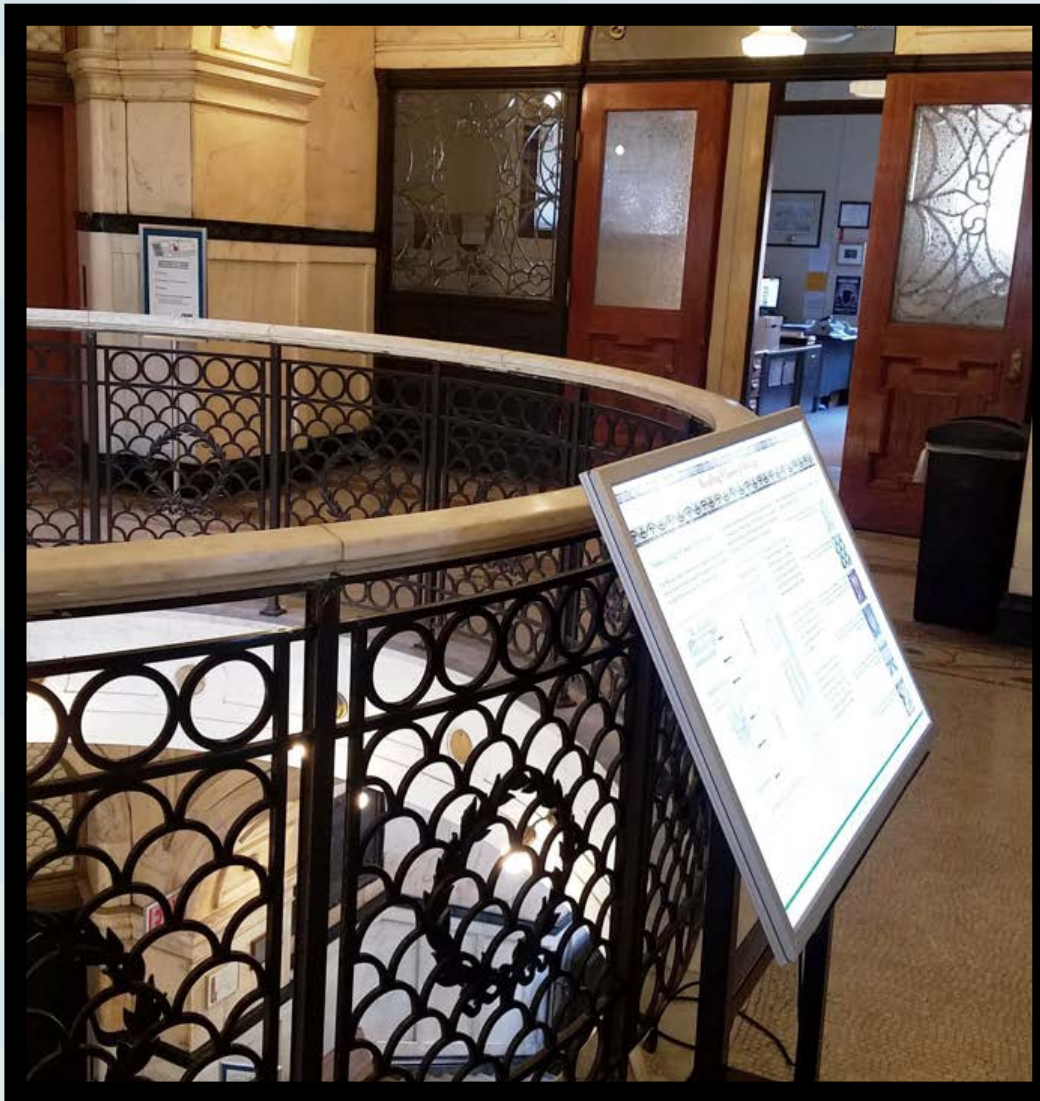

**On the 3rd Floor, the exhibits sometimes change.  
But we can always play in the Discovery Room!  
Everything in this room is for us to play with.**

**The Museum used to be a courthouse where lawyers and judges worked. We can look for all of the details that make the building one-of-a-kind!**

**Safety is always important.**

**At the Museum, there are open railings and hot radiators.**

**Do not touch the radiators. They might be hot.**

**When we are ready to leave the Museum, we will exit through the same door we came in.**

**We can't wait to visit  
the Museum again!**
